

Lysabild-Church

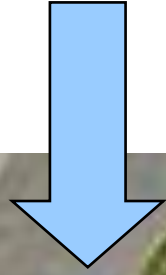

➤ Lysabild church called St. Michaels Church, is a large and old church, which dates back to approx. 1100 figure. The name has been given after a saint, but it is back to the Catholic time. It was for many years pilgrimage church, but was later superseded by Nordborg. The Church has 500 seats and it thus among the 5 largest village churches in Denmark. Lysabild Church is the oldest on Als.
